Mr. Brian J. Wagner
President
National Association of Postal Supervisors
1727 King Street, Suite 400
Alexandria, VA 22314-2753

Dear Brian:

As a matter of general interest, effective June 12, the Postal Service will implement new eAccess suspension triggers based on certain Time and Attendance Control System (TACS) codes.

Depending on the specific TACS code, eAccess accounts will be suspended either immediately or after a 14-day continuous period in that particular status. Under these circumstances, supervisors will have the ability to reactivate eAccess accounts, as appropriate.

We have enclosed a listing of the TACS codes described above and the triggers associated with each TACS code.

Please contact Bruce Nicholson if you have questions concerning this matter.

Sincerely,
