Dear Brian:

As a matter of general interest, the Postal Service intends to relocate the Los Angeles (LA), California International Service Center (ISC) from its current facility to a newly constructed facility.

Construction on the new facility is expected to conclude in September. It is anticipated that operations will be relocated to the new facility, using a phased approach, beginning in December.

The new facility is located adjacent to the Los Angeles, CA Processing and Distribution Center (P&DC), which is approximately 10 miles from the current facility.

Please contact Mike Faber at 215-432-0613 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shannon R. Richardson".
