Dear Brian:

As a matter of general interest, the Postal Service intends to deploy a new package sorting machine, the Small Delivery Unit Sorter (SDUS), to various locations throughout the country.

The SDUS will be housed in delivery units and is designed to sort packages to the carrier route level. Currently, a single SDUS is operational at the York, Pennsylvania Post Office.

Enclosed on compact disc is a spreadsheet that contains the 2021 deployment schedule for the SDUS. Please note, the information contained in this spreadsheet is subject to change.

Please contact Mike Faber at 215-432-0613 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shannon R. Richardson".
