SUBJECT: Apple Design Cards Transition

This letter authorizes the transition of Apps Store and iTunes Wave Design cards from the Gift Card displays in 6,000 retail offices. The merchandising will be provided by Main Street Solutions or Lawrence Merchandiser representatives who will replace the new Apple Design Cards and remove the discontinued Apps Store & iTunes Wave Design cards.

The representative is required to present their photo identification with this Letter of Authorization when visiting your retail office.

From October 12th through November 30th 2020, Merchandisers will visit all retail sites to complete the gift card transition.

While in retail sites the Merchandisers will:

- Pull all discontinued App Store & iTunes Wave Design cards and dispose of gift cards accordingly. The gift cards are biodegradable.
- Work with Sales and Service Associates to ensure all possible locations are checked for discontinued App Store & iTunes stock, including the back room and gift card fixtures.
 - Cards that have not been sold have no retail value and have no inventory cost.
- Ensure placement of the New Apple cards on all planogram fixtures are set properly.

Please provide the Merchandiser your full cooperation during this initiative.

You may contact me or Alia McPhail directly with any questions regarding the Merchandiser's functions.

Thank you in advance for your support.
