Mr. Brian J. Wagner
President
National Association of Postal Supervisors
1727 King Street, Suite 400
Alexandria, VA 22314-2753

Dear Brian:

As a matter of general interest, the Postal Service intends to enhance the functionality of the OTAdmin application to include integration with the Time and Attendance Collection System (TACS).

The subject enhancement will allow management to authorize overtime using OTAdmin and have such authorizations be automatically transmitted to TACS through hours code 091 (Overtime Authorization).

Pilot testing of the subject enhancement is scheduled to occur October 14 through December 31 in the Ohio Valley, Northern Ohio, and Western Pennsylvania Districts, with nationwide implementation tentatively scheduled for January 1, 2020.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink that reads "ASMOORE".
