Supervisors

Dear Mr. Butts:

As a matter of general interest, the Postal Service will be utilizing a new process entitled *FY 2022 Peak Carrier Pick Up* during this year's Peak Season. This process is designed to onboard large mailers where carriers can pick up packages when delivering to the customer in their normal line of travel.

There are currently two businesses who have shown an interest in participating in this *FY 2022 Peak Carrier Pick Up* process, Kohl's (enclosed) and Children's Place (list being developed). With this process, the Postal Service will be asking the carriers scheduled to serve these customers to introduce themselves and gather basic pickup information using the enclosed script and Standard Work Instruction (SWI) to provide additional support and resources for Peak operations.

Enclosed are copies of the following documents:

- *FY22 Peak Season Carrier Pick Up - Customer Communication Aid*
- *Standard Work Instruction (SWI) - Carrier Pick Up – Customer Introduction / Process*
- *Kohl's stores scheduled for collection during PEAK by Collection/Delivery routes*

The process is scheduled to begin November 5 and will continue through Peak season.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

FY22 Peak Season Carrier Pick Up - Customer Communication Aid

Hello, my name is _____ and I am your regular letter carrier.
(State your first and last name)

Your mail is scheduled to be delivered around _____ each day. I will also be
(time of day)
picking up all of your available packages at this time. I normally have one day off each
week, which is _____.
(day of week or rotating schedule day)

The carrier that usually carries my route on my off day is _____.
(name of replacement)

In order to better serve you, I want to be prepared with the necessary equipment and supplies when I arrive. Can you provide me with the approximate daily number of packages you anticipate having?

It also will be helpful to know what types of packages you normally ship. Are there typical sizes and weights?

The *Shipment Confirmation Acceptance Notice*, Form 5630 is preferred to expedite the pick-up process for large quantities of packages, and I hope you choose to utilize this option.

If you have any questions, I can take your information and have my supervisor contact you.

Remember, the United States Postal Service is here for you today, and for the upcoming holiday season. Thank you for trusting us with your mailing and shipping needs and I look forward to servicing your business and helping you with package pick-up and delivery needs.
