Dear Brian:

As a matter of general interest, the Postal Service has updated the *Payment Card Industry (PCI) Data Security Standard (DSS)* training course for fiscal year 2021.

The purpose of the training is to ensure that the Postal Service is PCI compliant in payment security and protecting cardholders' data. The subject updates will enhance the visual content of the course. Additionally, the course design was updated to be more relevant, memorable and allow users to more easily retain the information conveyed during the course.

Enclosed on compact disc is a copy of the updated *Payment Card Industry (PCI) Data Security Standard (DSS)* training course.

The training is currently available in HERO.

Please contact Dion Mealy at (202) 507-0193 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shannon Richardson".
