Mr. Brian J. Wagner
 President
 National Association of Postal Supervisors
 1727 King Street, Suite 400
 Alexandria, VA 22314-2753

FAXED

Dear Brian:

As a matter of general interest, the Postal Service plans to purchase twenty commercial (off the shelf) right-hand drive vehicles to evaluate the feasibility of using the vehicles on different types of delivery routes.

Specifically, over the next several weeks we are scheduled to receive ten Mercedes Metris and ten Ford Transit Connect right-hand drive vehicles. The vehicles are to be shipped to the Vehicle Maintenance Facilities (VMF) that service the below listed locations:

District	Station	Address	ZIP	Connect	Metris
Mid-Carolinas	Hendersonville Annex	90 Lakewood Rd, Hendersonville, NC 28792	28792	2	2
Mid-Carolinas	West Ashville	591 Brevard Ashville, NC 28810	28806	2	2
Northern Virginia	Fairfax	10660 Page Ave Fairfax, VA 22030	22030	2	2
Northern Virginia	Sully Station	5003 Westfield Blvd Centerville, VA 20120	20120	1	1
Detroit	Grosse Point	18640 Mack Avg Grosse Pointe Farms, MI 48236	48236	1	1
Detroit	Seven Oaks	14461 E 7 Mile Rd Detroit, MI 48205	48205	1	1
Headquarters	ER & DC IBM TEST LAB	8403 Lee Hwy Merrifield, VA 22082	-	1	1

We plan to evaluate the vehicles in the subject locations for several months and then rotate the vehicles to other locations. This will allow the evaluations of the vehicles in different terrains and on different types of routes with varying mileage.

Familiarization training will be provided to the carriers who will operate the vehicles. We will request input from the vehicle operators to assist with the evaluation process.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Alan S. Moore". The signature is stylized with a large, sweeping initial "A" and a long horizontal stroke extending to the right.
