Dear Brian:

This is in further reference to our April 15 notice concerning the Postal Service's intent to test restructured city letter carrier assignments by using modified letter carrier case configurations.

We have enclosed a list of the 58 facilities that have been selected for the third phase of the consolidated casing test.

Please contact Bruce Nicholson at extension 7773 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in black ink, appearing to be "Alan S. Moore".
