Dear Brian:

This letter is in further reference to the Postal Service's notice dated August 9 (enclosed), regarding the Job Description and Qualification Standards for the new Mail Processing & Markup Clerk (P7-06) position. This position was created in conjunction with the Service's intent to implement a nationwide decentralization of Computerized Forwarding System (CFS) units by incorporating the unit into mail processing operations.

Based on recent discussions and feedback from the APWU, the Postal Service has decided to change the job title to Mail Processing & Auto Markup Clerk (P7-06). Enclosed is an updated copy of the Job Description and Qualification Standards.

The title change will apply to the current job postings in Baltimore, Maryland, Pittsburgh, Pennsylvania and Charlestown, West Virginia and any future job postings.

Please contact Dion Mealy at extension 6861, if you have any questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rickey R. Dean".

Rickey R. Dean  
Manager  
Contract Administration (APWU)
