Dear Ivan:

This is in further reference to the Postal Service's March 25 correspondence (copy enclosed) concerning the relocation of the Los Angeles (LA) International Service Center (ISC) to a newly constructed facility.

The newly constructed facility referenced above is located at 5800 West Century Boulevard, Los Angeles, CA 90009; however, it has been determined that this facility will now be utilized instead by the LA Processing & Distribution Center (P&DC).

Therefore, approximately 80 APWU-represented employees and 40 NPMHU-represented employees will be relocated to the LA ISC Receipt Verification Facility, which is located at 10080 International Road, Los Angeles, CA 90045. Additionally, approximately 260 APWU-represented employees and 135 NPMHU-represented employees will be relocated to the newly established LA ISC, which is physically located in the Carson Annex, at 24760 South Main Street, Carson, CA 90745.

It is anticipated that this relocation of APWU-represented and NPMHU-represented employees will occur in February 2022.

Please contact Dion Mealy at 202-507-0193 if you have any questions concerning this matter.

Sincerely,

Dear Brian:

As a matter of general interest, the Postal Service intends to relocate the Los Angeles (LA), California International Service Center (ISC) from its current facility to a newly constructed facility.

Construction on the new facility is expected to conclude in September. It is anticipated that operations will be relocated to the new facility, using a phased approach, beginning in December.

The new facility is located adjacent to the Los Angeles, CA Processing and Distribution Center (P&DC), which is approximately 10 miles from the current facility.

Please contact Mike Faber at 215-432-0613 if you have any questions concerning this matter.

Sincerely,
