March 22, 2019

Mr. Brian J. Wagner
President
National Association of Postal Supervisors
1727 King Street, Suite 400
Alexandria, VA 22314-2753

FAXED

Dear Brian:

As a matter of general interest, the Postal Service plans to test the use of reusable bags for small parcels mailed by Amazon.

The zones selected for the test are low volume offices where the use of Gaylord boxes are not feasible. During the test, the reusable bags will be emptied and then returned to the Amazon driver.

The test is scheduled to begin on March 25 in the zones listed on the enclosure. Employee feedback will be used to evaluate the test.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Alan S. Moore".
