Dear Brian:

This is in further reference to our previous correspondence dated September 17, 2019, concerning the deployment of Narcan nasal spray.

Please be advised that as a part of our continuing efforts concerning this project, we plan to send replacement nasal spray to all sites with expired Narcan Kits beginning in September. We will not be expanding this project to additional sites at this time.

Please contact Bruce Nicholson at extension 7773 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "David E. Mills".
