UPDATED - Board Memo 059-2024: Excluded EAS USPS HQ & Area Positions

Executive Board,

As you are aware, NAPS and USPS are engaged in an ongoing disagreement about which EAS headquarters and area positions NAPS represents. After repeated requests, the Postal Service has provided NAPS with the attached list of 806 EAS positions it contends NAPS does *not* represent.

Our position has been and remains that under the relevant law (the Postal Reorganization Act, 39 U.S.C. § 1004(b)) NAPS, as a supervisory organization, represents the interests of all supervisory *and managerial* employees who are not represented by a union, not just supervisory personnel.

This dispute regarding the scope of NAPS's representation of EAS employees is one of the issues NAPS is litigating in our ongoing lawsuit against USPS. NAPS already won a favorable ruling on this issue from the United States Court of Appeals for the D.C. Circuit. We have requested and are receiving discovery from USPS on this issue and will seek a ruling from the trial court applying "supervisory and other managerial personnel" as expansively as possible.

Thank you for your time and attention to this matter. The Executive Board and Resident Officers welcome any questions or feedback you have on the attached list.

Please share this information with your membership.

Sincerely,

Ivan D. Butts
NAPS National President

Encl.
