Dear Brian:

After carefully considering the relevant factors under Article 32 of the National Agreement, the Postal Service has made the decision to continue contracting with a third-party to provide Mail Transport Equipment (MTE) processing services in 5 sites. The 5 sites are in the following locations:

Greater Michigan, MI
Chicago, IL
Atlanta, GA
Milwaukee, WI
Minneapolis, MN

The outsourcing of work in these facilities will ensure adequate supplies of high-quality MTE is ready for rapid deployment to customers and postal facilities. It will also allow Postal Headquarters to continue to maintain a single national network that continuously balances MTE inventories within and between all Postal Service Areas effectively and efficiently.

No significant impact to the bargaining unit is anticipated.

If there are any questions or concerns regarding this action, please contact me at (202) 268-2357.

Sincerely,

A handwritten signature in blue ink, appearing to read "David E. Mills".
