Dear Mr. Wagner:

As a matter of general interest, the Postal Service has created a "USPS Ethics" smartphone application that will be available on all USPS-administered smartphones. This application provides users with information related to ethics statutes and regulations applicable to the Postal Service and includes topics such as financial conflicts of interest, misuse of time, gifts from customers and vendors, and the Hatch Act.

Please contact Bruce Nicholson at 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "David E. Mills".
