Dear Brian:

As a matter of general interest, the Postal Service intends to establish a second tour of operation at the Mail Recovery Center (MRC) in Atlanta, Georgia.

The purpose of the second tour is to reduce and manage the incoming volume back log currently occurring at the MRC. It is anticipated that the additional tour will serve to improve operational performance, particularly customer return and production rates.

The second tour at the MRC is expected to be operational effective August 14, 2021 and will operate Tuesday to Saturday from 4:30PM to 1:00AM.

The Postal Service intends to create additional bargaining unit duty assignments and Executive and Administrative Schedule (EAS) positions to support the new tour's operations.

Please contact Mike Faber at 215-432-0613 if you have any questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shannon R. Richardson".
