LABOR RELATIONS

November 23, 2021

Mr. Ivan Butts
President
National Association of Postal
Supervisors
1727 King Street, Suite 400
Alexandria, VA 22314-2753

Dear Mr. Butts:

As a matter of general interest, the Postal Service intends to revise the current dangerous goods training course, *Dangerous Goods and Export Compliance Awareness*.

The revisions will include deleting the *Export Compliance* portion of the training, as this subject matter will be the subject of a separate training course that will be developed in the future. Changes were also made throughout the training course to clarify existing language, correct grammatical and structural errors, and to update reference materials.

The Postal Service also divided the training course into two components and renamed the dangerous goods training courses to reflect the following:

- Course Number 5317 – *Dangerous Goods for Non-Acceptance Personnel*
- Course Number 5327 – *Dangerous Goods for Acceptance Personnel*

Both training courses will be available in HERO December 6.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "David E. Mills".
