Mr. Brian J. Wagner
President
National Association of Postal Supervisors
1727 King Street, Suite 400
Alexandria, VA 22314-2753

Dear Brian:

As a matter of general interest, the Postal Service plans to pilot test a new centralized delivery box called "NeighborPost" in the Triboro District.

NeighborPost units provide larger compartments than the traditional Cluster Box Unit (CBU) and are designed to increase successful first attempt package delivery.

The initial units will be installed at select delivery locations in the following offices:

<u>Area</u>	<u>District</u>	<u>Delivery Unit</u>	<u>ZIP Codes</u>
Northeast	Triboro	New Lots Station, Brooklyn, NY	11208
Northeast	Triboro	Canarsie Station, Brooklyn, NY	11239

The implementation of these boxes is expected to begin in early April.

We have enclosed photos of the NeighborPost unit.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A blue ink handwritten signature, appearing to read "David E. Mills", written over a circular blue stamp.
