National Association of Postal Supervisors  
1727 King Street, Suite 400  
Alexandria, VA 22314-2753

Dear Brian:

As a matter of general interest, the Postal Service will be changing the names of 299 facilities throughout the organization. The purpose of these name changes is to standardize naming and aid in facility identification.

The subject name changes are expected to be implemented February 29 and will have no impact on employees.

We have enclosed a list detailing facilities whose names will be changed.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,
