Section 3 – Customer Pick-Up Information

(To be completed by Carrier)

Thinking about your most recent pick-up attempt from the customer specified in Section 1, please select **one** pick-up type that best describes the customer pick-up and answer the subsequent questions. If none of the pick-up types are applicable to you, please explain in the *Closing Comments* portion.

Pick-up Type 1	<input type="checkbox"/> If you stopped there on your normal Line of Travel. This pick-up did not require any deviation from your normal Line of Travel.					
	Pick-up location shares the same location for which the carrier delivers the customer's mail. Mail Carrier would have to stop at the pick-up/delivery location regardless if scheduled for a customer pick-up. Delivery and/or pick-up occur at the same location.					
	Total time (minutes) to complete customer pick-up including loading time:	<input type="checkbox"/> 0-2	<input type="checkbox"/> 2-5	<input type="checkbox"/> 5-10	<input type="checkbox"/> 10-20	<input type="checkbox"/> 20+
Estimated time needed just to load pick-up mail:						
	<input type="checkbox"/> 0-2	<input type="checkbox"/> 2-5	<input type="checkbox"/> 5-10	<input type="checkbox"/> 10-20	<input type="checkbox"/> 20+	
Pick-up Type 2	<input type="checkbox"/> If you stopped there outside of your normal Line of Travel. This pick-up required you to deviate from your normal Line of Travel.					
	Pick-up location requires carrier to deviate from the carrier's normal Line of Travel for letter delivery or blue box collection. This deviation is scheduled as either a daily task or via MyPO pick-up request.					
	What were the total miles required to deviate to the designated pick-up location? Do you walk or drive to this location?				<input type="checkbox"/> Walking <input type="checkbox"/> Driving	
	Total additional time (minutes) to complete pick-up for customer specified in Section 1, including any additional travel time and any additional time needed to load the pick-up:		<input type="checkbox"/> 0-2	<input type="checkbox"/> 2-5	<input type="checkbox"/> 5-10	<input type="checkbox"/> 10-20
			<input type="checkbox"/> 10-20	<input type="checkbox"/> 20-30	<input type="checkbox"/> 30+	
	Is this pick-up scheduled to be conducted daily or via MyPO pick-up request?		<input type="checkbox"/> Scheduled as a daily task <input type="checkbox"/> Scheduled via MyPO pick-up request			
If you can, please estimate how much time you spent traveling to and from the pick-up location?						
If you can, please estimate how much time you spent at the pick-up location including retrieving, scanning, and loading parcels into your vehicle?						
Pick-up Type 3	<input type="checkbox"/> If you make a trip directly from your Post Office for the purpose of picking-up parcels and this customer is one of the scheduled pick-ups on that trip.					
	Pick-up is conducted via a trip that is dedicated to picking up parcels only. The origin of this trip is a USPS Facility. This dedicated trip is scheduled as a daily task or via MyPO pick-up request.					
	Please answer the following questions as it relates to the customer specified in Section 1.					
	Distance traveled to complete pick-up for this customer (miles) using the previous pick-up location as the starting point:					
	Total time (minutes) needed to complete just this customer pick-up (including travel and loading time):		<input type="checkbox"/> 0-2	<input type="checkbox"/> 2-5	<input type="checkbox"/> 5-10	
			<input type="checkbox"/> 10-20	<input type="checkbox"/> 20-30	<input type="checkbox"/> 30+	
	If you can, please estimate how much time you spent traveling to and from the pick-up location?					
	If you can, please estimate how much time you spent at the pick-up location including retrieving, scanning, and loading parcels into your vehicle?					
Please answer the following questions as it relates to the entirety of the trip.						
Total time (minutes) required for the round trip (including travel and loading time):		<input type="checkbox"/> 0-15	<input type="checkbox"/> 15-30	<input type="checkbox"/> 30-60	<input type="checkbox"/> 60-90	
		<input type="checkbox"/> 90-120	<input type="checkbox"/> 120+			
What are the total number of stops on this pick-up trip?
