Dear Ivan:

This is in further reference to the Postal Service's prior correspondence concerning Sorting and Delivery Centers (S&DCs). As discussed in the October 31, 2023 correspondence (enclosed), the purpose of creating S&DCs is to reduce transportation and mail handling costs as well as provide postal customers with additional services. S&DCs will allow for easier standardization and management of operations will have improved building and operating conditions for employees.

The Postal Service is renaming the Stockton, California S&DC as Stockton Airport, California S&DC. Further, the Postal Service will realign the following California 3 District spoke offices to the California 2 District to ensure that the spoke sites are within the same district as the Stockton Airport, California S&DC, effective June 29, 2024. This includes the Holt Remotely Managed Post Office (RMPO) that reports to the Lathrop Post Office:

LATHROP - MAIN OFFICE	15529 7TH ST	LATHROP	CA	95330
