Supervisors  
1727 King Street, Suite 400  
Alexandria, VA 22314-2753

Dear Brian,

As a matter of information, the Postal Service plans to create 300+ new finance numbers for Post Office stations, branches and carrier annexes within the Northeast Area.

The purpose of this change is to provide greater visibility to those Post Office stations, branches and carrier annexes that may currently share one finance number with the lead installation. This change will be implemented on February 1, 2020.

We have identified 19 EAS employees that will be impacted by this change. These employees will be notified via Form 50 of the change in finance number.

Please contact me at extension 7773 if you have any questions concerning this matter.

Sincerely,
