Mr. Ivan D. Butts
President
National Association of Postal
Supervisors
1727 King Street, Suite 400
Alexandria, VA 22314-2753

Dear Ivan:

As a matter of general interest, the Postal Service will be soliciting employee participation in our 2023 Spring Equity casting campaign.

Auditions are open to all employees and there is no requirement to have prior acting experience. Employees interested in participating are required to complete a questionnaire and submit a video, which will be accepted immediately. There is no cutoff date for submission of applications; however, we will be reviewing the spring campaign applications during the month of December.

The *USPS Employee Casting Website* provides the necessary instructions for creating and submitting audition videos which can be found via the following link:

www.uspsdelivers.com/cast

Production for the spring campaign is expected to take place over a two to three-day period about mid-January 2023. Successful applicants must receive approval from their manager prior to participating in the commercial production.

The Employee Casting website will be available year-round for employees to submit auditions for casting opportunities for future campaigns.

Please contact Bruce Nicholson at extension 7773 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink that reads "J Lloyd".
