Dear Ivan:

This is an update to our March 21 correspondence (enclosed) regarding the Postal Service plans to test the Canoo model Lifestyle Delivery Vehicle (LDV) 190. The purpose of this test is to determine how the vehicle performs on carrier routes currently serviced by LLV/FFV/Metris vehicles.

There has been changes to the arrival date of the vehicles. Four (4) Canoo vehicles will arrive on May 8 at the South Atlanta S&DC located at 1800 James Jackson PKWY NW, Atlanta, GA 30369. Training for the four (4) drivers who will operate the vehicles will take place on May 10. The additional two (2) Canoo vehicles will arrive to the facility on May 28. Training for the two (2) drivers who will operate those vehicles will be conducted on May 29. The VMF Technician training for the Canoo battery-electric vehicle has been rescheduled to May 28.

Please contact Tomica Duplessis at extension 3073 if you have questions concerning this matter.

Sincerely,

A handwritten signature in blue ink that reads "James Timmons".

Dear Ivan:

This is an update to our February 26 correspondence (enclosed) regarding the Postal Service plans to test the Canoo model Lifestyle Delivery Vehicle (LDV) 190. The purpose of this test is to determine how the vehicle performs on carrier routes currently serviced by LLV/FFV/Metris vehicles.

The testing date has been postponed. The new testing dates are May 10 through November 8 at the South Atlanta S&DC located at 1800 James Jackson PKWY NW, Atlanta, GA 30369. During the test, the Canoo will be operated by employees who normally operate the LLV/FFV/Metris vehicles. The VMF Technician training for the Canoo battery-electric vehicle has been rescheduled to May 8. Training for drivers that will use the vehicle has been rescheduled to May 9.

Please contact Tomica Duplessis at extension 3073 if you have questions concerning this matter.

Sincerely,
