Dear Brian:

This is in further reference to our February 4 and June 11 notices concerning the implementation of a new Alternative Delivery and Access Point Program available at Staples locations across the country.

The Alternative Delivery and Access Point Program was originally scheduled to start in late February 2020 in select Target locations and Staples locations nationwide. However, due to COVID-19 concerns, both retailers put the Program on hold. While Target resumed the Program on June 15, Staples did not announce a new planned start date.

Effective on September 15, Staples will begin the Program in 5 pilot locations in Massachusetts. The national rollout of the Program to the remaining Staples locations is planned for September 22, 2020.

Please find enclosed a list of the 5 Staples stores in Massachusetts and the remaining Staples locations.

Please contact Bruce Nicholson at extension 7773, if you have questions concerning this matter.

Sincerely,

Dear Brian:

As a matter of general interest, the Postal Service is implementing a new Alternative Delivery and Access Point Program. This Program will allow customers mailing packages through the Postal Service to pick-up and drop off packages at a participating store location near to them. This Program is intended to enhance the customer experience by making it more convenient for customers to send, pick-up, and drop off packages and will be similar to existing customer offerings of our competitors.

This Program will consist of two options:

- Alternative Delivery – customers can use participating store locations as a shipping address when ordering items for delivery. Stores will act as the destination address and will hold customer packages until picked up by the customer. In this scenario, a postal carrier will deliver the package as addressed to the store location and scan the package as delivered. The location will accept the package and store it in a secure location. The customer will subsequently retrieve the package from the store location.
- Access Point – similar to using a Postal Service blue box, customers can drop off packages with USPS pre-paid postage labels from an approved PC vendor (Clink-n-Ship, Stamps.com, Endicia.com, Pitney Bowes, etc., or other prepaid return labels), at a participating store location near to them. In this scenario, a customer leaves a USPS prepaid PC postage package at an access point location. The access point partner accepts the package and places it in a secure location awaiting USPS carrier pick-up. The USPS picks up the prepaid package at the access point location during the regular route and scans the package as accepted as it is entered in the USPS mail stream.

Stores participating in the Program will not sell any competitive postal products or services. There will be no impact to the bargaining units. Starting in late February 2020, the Program will be available at all Staples locations nationwide and select Target locations in Des Moines Iowa. Enclosed is a list of participating Target locations.

Please contact Bruce Nicholson at extension 7773 if you have any questions concerning this matter.

Sincerely,

Dear Brian:

This letter is in further reference to the Postal Service's notice dated February 4 regarding a new Alternative Delivery and Access Point Program.

As previously informed, the Program will allow customers mailing packages through the Postal Service to pick-up and drop off packages at a participating store location near to them. This Program is intended to enhance the customer experience by making it more convenient for customers to send, pick-up, and drop off packages and will be similar to existing customer offerings of our competitors.

The Program consists of two options; Alternate Delivery and Access Point. The participating stores are in select Target locations in Des Moines, Iowa (see enclosure).

Due to the COVID-19 pandemic, Target suspended the Program in March and are planning to resume the offering beginning June 15. Additionally, Staples has not begun offering the Program.

Please contact me at extension 2357 if you have any questions concerning this matter.

Sincerely,
